To Whom It May Concern:

Governor Kay Ivey has been a patient of mine since May 13, 2003.

Governor Ivey has had physicals for the past fifteen years, and she is in excellent health. In addition to her complete annual exams, she has undergone all the recommended specialist evaluations to ensure a thorough health assessment.

I see no medical issues that would prevent her from fulfilling her obligations as Governor.

Sincerely,

A handwritten signature in black ink that reads "Brian W. Elrod MD". The signature is fluid and cursive, with "Brian W." on the first line and "Elrod MD" on the second line.
